We live to make mistakes;
Mistakes teachers of giant dreams
it is easy to die, forget mistakes
our dreams ranged in hollow holes
remembering our dreams teachers in mistakes
goodness in mistakes ranged in dreams
we remember too often mistakes forgetting
the dreams.

Walk together, talk together,
O ye peoples of the earth;
Then and only then shall ye
have peace.

EXCHANGE STUDENTS

Etuskie Kakue, Japan

I want you to know how much I like American life! American school especially is the most interesting thing I have ever seen. I'm so glad that I could take part in all your activities this year. When I return home to Italy, I'll be able to tell my friends how friendly and active and nice the students in America are.

This has been the most important year in my life. I'll always remember you and Kennedy High. I didn't get to know all of you personally, but I'm pretty sure that everybody is a friend of mine. I thank you for having given me the opportunity to be a student in America.

I thank Mr. Reynolds and Mr. Johnson and all the people that contributed to make this year so enjoyable for me!

Angela Porri

Angela Porri, Italy

I am so happy to have had this opportunity to study at John F. Kennedy High. My many experiences have all been wonderful and exciting.

There are many differences between American schools and Japanese schools, such as the school activities, school clothes, and the relationship between student and teacher.

I have enjoyed attending school here as much as I enjoyed our Japanese school. I like the many activities that you have here. I wish we could have some of these activities in Japan. They are really wonderful!

Also, I am so glad to have made so many friends here. Your friendliness and interest in my country will remain as fond memories in my mind.

This year has been the most rewarding year in my life. I will not forget you and all of the new experiences that I had at John F. Kennedy High.

Etuskie Kakue

The time I left my home country, I felt something unforgettable was going to happen to me this year.

Being an A.F.S. student doesn't always mean being an individual. I feel like I belong to the school and to the whole community. I believe that all the experiences I have had this year will greatly influence planning my life further.

The only way to learn to know people in other countries, I think, is to live among them, take part in their problems, and try to understand their way of living.

This year has been the most meaningful one for me because of all of you.

Leena Kotilainen

Robert Stip, Netherlands

Leena Kotilainen, Finland

This is to thank you all, students and faculty, for giving me a wonderful time at J.F.K. High School. I thank all of you for always being so friendly and helpful. All of you have given me valuable experiences which I shall never forget--experiences that I shall take back to the Netherlands.

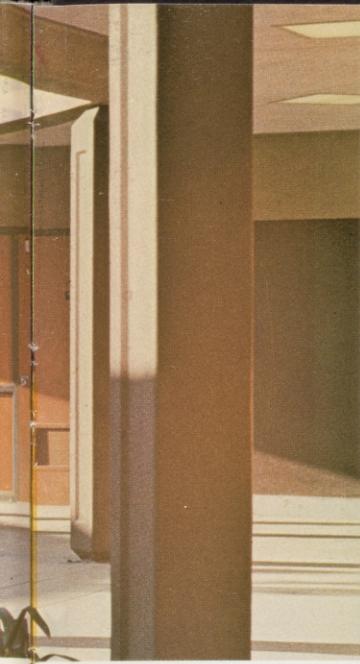

The first day in school I was really surprised. Everything was completely different in comparison with the Netherlands, like the surroundings, activities such as football and dances, and many more students.

This year has been great for me. I have discovered that you can have a pleasant time, if you want, during your years at J.F.K. High. It is not only a time of hard study.

After a few years, I may be able to return to America and see my friends again--those friends that I have made during this wonderful year at J.F.K. High School.

Robert Stip.

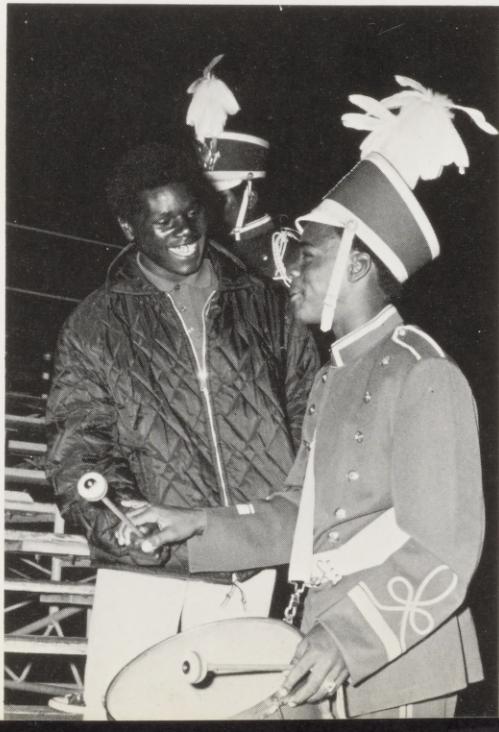

He drew a circle that shut me out—
Heretic, rebel, a thing to flout.
But love and I had the wit to win:
We drew a circle that took him in!

SENIORS

SENIOR MESSAGE

Our years at Kennedy High are now over. And as we look back, we see the many good times and many good people that contributed to making those years the best possible.

Our Sophomore year, spent at Harry Ells, was topped by two main events--the Sophomore Hop and the Pancake Breakfast. Our officers, who helped make these activities possible, were Debbie Cannistraci, president, Sharon White as vice-president, and Regan Ricketts serving as secretary-treasurer. Our cheerleader, out there rooting for our teams at all the games, was Sarah Johnston. The Sophomore attendant at our Homecoming was the pretty Martha Stuart. Our snowball representative was Jennie Goodrich.

During our Junior year we had quite a few exciting activities. Among them were the modern Junior Class Fashion Show, another successful pancake breakfast, the talent show, and, of course, the Junior Prom. Our class officers, who contributed to making it a successful year, were Donna Brorby, president, Yuri Miyagawa, our vice-president, and Ann Steinbrugge, secretary-treasurer. Debbie Bluitt was the school's social chairman. Our spirited cheerleaders were Sarah Johnston and Irene Alcala. Our attendant at the Homecoming Game was the lovely Jackie Alexander. Karla Tedrick and Valerie Cordier served as attendants at the Snowball.

Our Senior year has now arrived and is almost ended. Our class officers are Jackson Taylor, Marva Jones, and Elizabeth Ticer. Richard Mitchell, Rod Tanaka, and Ann Steinbrugge have been elected as the student body officers. Our Homecoming Queen was Betty Henderson with Linda Seki and Lynn Morris as her Senior attendants. Our bright and bouncy cheerleader is Linda Soo. This year we have been graced by FOUR exchange students--Etsuko Kakui from Japan, Leena Kotilainen from Finland, Angela Porri from Italy, and Robert Stip from the Netherlands.

Of course, we all remember our numerous and exciting Senior events--the lively Senior Fun Night, the Senior Party at the Holiday Inn, the fun-filled Sadie Hawkins, the barbecue and the picnic, and the Senior Ball. And now graduation has come and gone; we are prepared to become full and efficient members of our society.

AEROSPACE

This year, the aerospace students have had the opportunity to construct scale model airplanes with two-cycle gasoline engines, allowing the plane to propel itself.

Plans are being made for next year to work on actual aircraft engines supplied by navy surplus, which we do have.

The Forensic team of John F. Kennedy is a constant source of pride to our school. Through the efforts of the team members, Kennedy has brought home innumerable sweepstakes trophies, not to mention individual trophies. These students have done extensive research, and many hours of practice to bring victory to our school.

The speech coach, Mr. Dansky, has also kept himself busy arranging and hosting tournaments, recording forensic points, and encouraging as many students as possible to compete.

His persuasive ways have paid off. Donna Brorby, Bill Mootz, Richard Mitchell, Sally Amsbury, Joyce Harry, and many others have achieved excellence in many areas of speech. These individuals especially have enhanced the Kennedy team. The Forensic team deserves the respect of our entire student body. Therefore the following pages are devoted to those who compete in this exceptional organization.

DR. S. I. HAYAKAWA SPEAKS AT THE JUNIOR STATESMEN CONVENTION

On February 1, 1969, our own Junior Statesman Chapter sponsored the Golden Gate Regional Convention. Students came from all over Northern California. Speakers included Dr. S. I. EAGLE EYE STAFF

It has always been the policy of any newspaper staff to present the news and distinguish fact from opinion as much as possible. This policy, as one famous author once said, "enables readers to discover what the news means and what others say about it." This shows honesty as well as accuracy among the staff.

Our own honest and accurate newspaper staff (known as the Eagle Eye staff), consists of our editor, Oliver Houghton, a senior who has written editorials and organized records of various articles. Our page one editor, Barbara Barnes, a junior, collected major event stories for her page. While Arlene Bonham, a junior also, directed the stories for page two. Julie Davis, a sophomore, managed stories for page three plus the cartoons which were drawn by Reggie King. Mike Newland, a senior, was the sports editor, and Ruth Woodwards, also in her senior year, served as exchange editor. She had the job of sending and receiving papers from other schools.

Our faithful reporters, who have showed a real nose for news this year are a varied combination of sophomores, juniors and seniors. They were Pam Bash, Sharon Brunchurst, Greg Burton, Larry Cooks, who also worked in photography, Arlene Donaldson, Ray Ellis, Norman Harding, James Peretti, Paul Staubus, Risa Tarabini, Jackie Whitson, Penny Coleman, Larry Galt, Ron Fong, Maria Harry, Rosemary Silva, who was also head typist, Lois Taylor, Sherrie Forman, and Reggie Chrisman.

This resume of the activities of the journalism class would not be complete without mentioning Mrs. Kaer, who through her interest and thoughtful co-operation devoted many endless hours correcting grammatical errors.

POM

Our Pom-Pon girls have contributed a lot to Kennedy High by spreading their school spirit over, under, around, and through the student body. Under the able guidance of Miss Felix and Miss Chavez, they have lifted us with their routines--flying, colorful pom-poms and perfect synchronization.

PON GIRLS

Karen Yamada

Lynn Morris

Not only have they made a sensation at our school, but they have won many honors in competitions outside of school. Last summer at Squaw Valley, they won first place in final competition and they were granted the coveted spirit stick. They participated in the 49'er game at Kezar Stadium and in rallies at other schools.

The reason for their ability is their dedication and determination. They practice every day after school and enter as many competitions as possible.

The Pom-Pon girls are a great group and we can all be very proud of them.

CHEERLEADERS

United we stand;
Divided we fall;
Mighty Eagles will
conquer all!

Our cheerleaders have really succeeded in promoting spirit at all the games. They have been the driving force that inspired our teams to do their best.

You'll always know who the cheerleaders are-- they're the ones that are selling spirit pins and buttons; they're the ones that seem to be bouncy and happy all the time; they're one of the groups you see practicing after school every day until four or four-thirty; they're the ones that win FOUR first places at cheerleader camp during the summer in competition with 23 other groups. They have entered many competitions and have come out on top.

Our cheerleaders are the best ever. They have enjoyed being cheerleaders this whole year and are truly deserving of our admiration.

SPORTS

FOOTBALL

The 1968 football season at Kennedy High School will be a memorable one for many years, for it can be said that this was the year that the Eagles established themselves as a football power in the mighty Alameda County Athletic League.

For the coaching staff, the '68 season began officially on August 13th. On this day the Eagle staff held the first of many organizational meetings. Out of this first meeting came a general feeling of optimism. This optimism was based on the presence of many returning athletes who in the previous season had established themselves as true football players.

With many great athletes to choose from, the Eagle staff felt that the challenge facing them was to mold these young men into a team which would successfully compete in the powerful ACAL.

At the league coaches' pre-season meeting, Kennedy was not considered to be a title threat. This was quickly disproved by the Eagles as they began to roll up victories in the early season. The Eagles improved game after game throughout the season.

The Eagles finished the season in strong fashion by winning their last three games. When the season finally ended the Eagles were in second place (in front of them the state's first ranked team--Alameda) and ranked 13th among over 200 East Bay schools.

It certainly was a successful season for the football players of Kennedy High School.

Everyday a new picture is painted and framed,
held up for half an hour,
in such lights as the Great Artist chooses,
and then withdrawn,
and the curtain falls.
And then the sun goes down, and long the after glow
gives light.
And then the damask curtain glow
along the western window.
And now the first star is lit, and I go home.

H. D. Thoreau
